SLOW DOWN,

MOVE YOUR BODY,

IMPROVE YOUR DIET,

LEARN FOR LIFE,

ENJOY SCHOOL TIME

<http://erasmusmile.jimdo.com/>

The target group:
Upper secondary school students

The length of the project:
2 years (2015-2017)

The aim of the project is to address the main issues of:

- school drop-out;
- the acquisition of competences that will enable students to get ahead in today's society;
- the strengthening of the sense of responsibility in attaining set learning and educational goals;
- the development of the awareness of being European citizens
