

# Handball

Handball is a team sport which is played with a ball. The team consists of 6 field players and a goalkeeper. The team who scores the most goals wins the match.

Romania's women's handball team is one of the best teams in Europe. Every year they attend the European and World championships. This year we will participate in the World championship in Denmark.

The best player from Romania is Cristina Neagu who in 2010 took the title of best player in the world. Now she plays for Buducnost in Montenegro and she won the Champions League in 2015.

Romania has two handball teams in Champions League: CSM Bucharest and HCM Baia Mare
