#### **Answer the following questions in relation to the Mobility experience:**

What difficulties (language and integration problems) did you have in integrating in a foreign country and how did you sort them out?

No difficulties

#### **Answer the following questions about the whole project:**

What difficulties did you have in carrying out the assigned tasks during the whole project and how did you face and overcome them?

what satisfactions and positive impressions did you get?

From the Project

*The objectives of the project were developed well. The problem was sometimes how to motivate the students because the amount of the activities was great.*

From the CLIL Modules

*The topics discussed in the lessons didn't meet the arguments of school programme.*

From the Mobility week you took part in

*No difficulties*

From the eTwinning project

*The project was well articulated and appealing for students*

What influence will this experience have on your future?

*I would like to improve my English for future work.*
