- 4) Time Management
- 5) Your contribution to the Final products

CLIL Module 1

We created a map about traditional sports like Hopscotch and other sports.

CLIL Module 2

We were divided in groups and we analyzed ancient Olympic games in Greece. We made articles about it.

CLIL Module 3

We learned the benefits of sports like responsibility, fair play and perseverance

CLIL Module 4

Thanks to teamsports we learned that when you play in teams you are more confident, involved and you can interact with others.

CLIL Module 5

We analyzed doping causes and risks. Then we made slogans against doping. It was an interesting topic

CLIL Module 6

We learned that when you follow a healthy sustainable diet, you improve your physical performance.

CLIL Module 7

We learned that in school we can study with alternative ways and not only the traditional one. The SMILE project uses non-traditional educational tools.

The experience of working with others students was very interesting because we met new people and we worked in groups and we presented the slides that we made in Italy

Answer the following questions in relation to the Mobility experience:

what difficulties (language and integration problems) did you have in integrating in a foreign country and how did you sort them out?

Some guys didn't speak English very well so communication was difficult. Instead we didn't have any integration problems.

Answer the following questions about the whole project:

What difficulties did you have in carrying out the assigned tasks during the whole project and how did you face and overcome them?

We didn't have difficulties because all projects were interesting.

What satisfactions and positive impressions did you get?

From the Project

We improved our English and we met new friends.

From the CLIL Modules

We learned new interesting things, for example about science.

From the Mobility week you took part in

We met new people, we visited new places and we improved our English

From the eTwinning project

It was fantastic because we could chat with the others and we could share our feelings.

What influence will this experience have on your future?

Thanks to this experience now we are more confident and responsible. It was amazing. We are all happy
