Christian, Deiana Maria Grazia

School **IIS P. SRAFFA**

Country **ITALY**

Write about what activities you did during the project:

Evaluate your skills while working for the CLIL Modules as regards:

- 1) Working with your classmates
- 2) Independence in carrying out tasks
- 3) Working with technology
- 4) Time Management
- 5) Your contribution to the Final products

CLIL Module 1

Traditional sports and games: we made posters and an ebook about traditional games.

CLIL Module 2

Sport in History: we wrote an article about sport in the Middle Ages and an emagazine about sport was created.

CLIL Module 3

Individual sports: we played table tennis, climbing, badminton.... We wrote letters to champions and collaborated in making an ebook with letters to champions in six languages. A presentation about individual sports champions and animated interviews were produced by our mates during the mobility in Poland.

There was a meeting with champions and a representative of Panathlon Lombardy.

CLIL Module 4

Team sports: we played basketball, volleyball, soccer... . We recorded videos with interviews to team sports champions and we contributed to make a questionnaire about sport that was used by all the students in the project.

CLIL Module 5

Doping: there were meetings with experts about doping and recreational drugs. We wrote an article about a champion who used performance-enhancing drugs and we wrote anti-doping slogans. During the mobility in our town we prepared balloons with the anti-doping slogans from all partner schools and we flew them at the end of a relay race.

CLIL Module 6

Physical activity and healthy diet: we made a healthy diet pyramid, a physical activity pyramid, and we wrote local recipes to make an ebook together with our European mates.

CLIL Module 7

Non-traditional learning: we wrote a report about SMILE and planned a short video about non-traditional learning.

Evaluate your skills while working for the Etwinning activities as regards:

- Working with your classmates
- Independence in carrying out tasks
- Working with technology
- Time Management
- Your contribution to the products

We learned a lot of things about the European Union. We worked with technology and it was easy to use. We worked with our classmates and it was interesting to collaborate.

Evaluate your skills while working during the Mobility weeks you took part in, as regards:

- Working with other students during the mobility week
- Independence in carrying out tasks
- Time Management
- Working with technology
- Your contribution to the Final products
- Your participation in sport activities
- Your participation to the cultural programme

Mobility to Bari, South Italy – February 2016

Mobility to Byalystock, Poland – April 2016

Mobility to Istanbul -Turkey – May 2016

Mobility to Crema , North Italy – November 2016

Mobility to Moreni, Romania – February 2017

Mobility to Latvia – April 2017

We didn't take part in a mobility.

Answer the following questions about the whole project:

What difficulties did you have in carrying out the assigned tasks during the whole project and how did you face and overcome them?

We had no difficulties.

What satisfactions and positive impressions did you get?

From the Project

Now we can speak English more fluently, and work in groups sharing tasks.

We enjoyed meeting experts and champions.

From the CLIL Modules

They were interesting and fun.

From the eTwinning project

We liked the activities, working with technology and working with our classmates.

What influence will this experience have on your future?

We think that this experience gave us a lot of opportunities to know more about other countries and new information about the European Union. In the future we hope we will travel a lot and maybe we will find a job abroad.
