School: Atışalanı Anadolu Lisesi

Country: Turkey

Write about what activities you did during the project:

Evaluate your skills while working for the CLIL Modules as regards:

- 1) Working with your classmates
- 2) Independence in carrying out tasks
- 3) Working with technology
- 4) Time Management
- 5) Your contribution to the Final products

CLIL Module 1

We concluded some information from the article which our teacher gave us. We introduced our traditional games like javelin-throwing, wrestling. We did teamwork.

CLIL Module 2

We did physical exercises and some exciting lessons. Working together with classmates which we liked

CLIL Module 3

We love teamsports. We play basketball, volleyball and football in breaks. In the module we talked about these sports and played games. It was very fun.

CLIL Module 4

There were very successful plays in the past, we learned them. We got used to doing tasks on the internet and computer. But time was not enough.

CLIL Module 5

We again had teams. We used our ICT labs. We wrote articles about doping. Then we uploaded our articles on madmagz. But madmagz is difficult for learn.

CLIL Module 6

We talked about healthy food and sports. Also we talked about recipes. At the end of the lesson we were hungry because the lesson about food. Our friends were knowledgeable about recipes.

CLIL Module 7

We liked the activities. We especially liked the song. We agree about these lessons. Our education system is not good. We wrote this opinion during the lessons.

Evaluate your skills while working for the Etwinning activities as regards:

- Working with your classmates
- Independence in carrying out tasks
- Working with technology
- Time Management
- Your contribution to the products

The subjects were interesting in e-twinning. We discussed the subjects about religion and culture. I think could say things in my mind.

Evaluate your skills while working during the Mobility weeks you took part in, as regards:

- Working with other students during the mobility week
- Independence in carrying out tasks
- Time Management
- Working with technology

- Your contribution to the Final products
- Your participation in sport activities
- Your participation to the cultural programme

Mobility to Bari, South Italy – February 2016

Mobility to Byalystock, Poland – April 2016

Mobility to Istanbul -Turkey – May 2016

Mobility to Crema , North Italy – November 2016

Mobility to Moreni, Romania – February 2017

Mobility to Latvia – April 2017

We worked together when presenting studying about the traditional games. Then we played football, basketball and such. We felt comfortable working in groups. We could use technology and we used to the customs of people there.

Answer the following questions in relation to the Mobility experience:

what difficulties (language and integration problems) did you have in integrating in a foreign country and how did you sort them out?

We didn't have any difficulties.

Answer the following questions about the whole project:

What difficulties did you have in carrying out the assigned tasks during the whole project and how did you face and overcome them?

Sometimes they were too long. We were bored

What satisfactions and positive impressions did you get?

From the Project

We gathered a lot of information thanks to project

From the CLIL Modules

Modules were very interesting especially sport activities. We had fun doing sport activities. We felt relaxed

From the Mobility week you took part in

We will miss the friends there. We have nice memory. We still keep in touch.

From the eTwinning project

Speaking with foreign students about different subjects was good.

What influence will this experience have on your future?

We will be more experienced about other country. Because we have friends.
