- 2) Independence in carrying out tasks
- 3) Working with technology
- 4) Time Management
- 5) Your contribution to the Final products

CLIL Module 1

It is hard to remember because it's been a long time but we think most of our country's traditional sports is advantageous. We entered the discussions

CLIL Module 2

We don't show success about the individual sports. Only basketball.

CLIL Module 3

Team sports can teach us how strong we are when all of us are together. And in the end of this activity we have more information about team sports.

CLIL Module 4

Among all sports in Turkey, the most popular one is football. Unfortunately we are not good enough at football

CLIL Module 5

We learned so many things about doping and its users and we were surprised when we learned the famous person used doping

CLIL Module 6

In Turkey there is so many foods which we can benefit. Also most of Turkish people not only healthy people but also they eat it with love.

CLIL Module 7

It was very enjoyable to see the pictures from the past. We saw old friends and learnt much about non-traditional learning.

Mobility to Bari, South Italy – February 2016

Mobility to Byalistock, Poland – April 2016

Mobility to Istanbul -Turkey – May 2016

Mobility to Crema , North Italy – November 2016

Mobility to Moreni, Romania – February 2017

Mobility to Latvia – April 2017

We have been to Crema. We played a game. It's name is icebreaking. And We loved it. Also we had to be quick. Because the project was so long. Other students from other countries were helpful to us. We did many activities like flying a kite, relay race and photo collage. We think we contributed to our teams while doing the work

Answer the following questions in relation to the Mobility experience:

what difficulties (language and integration problems) did you have in integrating in a foreign country and how did you sort them out?

We didn't get into difficulty because our hosts and their families were sincere and helpful.

Answer the following questions about the whole project:

What difficulties did you have in carrying out the assigned tasks during the whole project and how did you face and overcome them?

Sometimes they were boring because it took long time.

What satisfactions and positive impressions did you get?

From the Project

The project which is fun will be missed because each of us learned new things

From the CLIL Modules

Modules were different from our classic lessons so we enjoyed them.

From the Mobility week you took part in

We had great activities. We climbed on a mountain played interesting games and visited beautiful city Milan

From the e- twinning project

Now we use Twitter more active because we have this project

What influence will this experience have on your future?

When we go to the ERASMUS at university again, we will be more experienced. We think that this project will bring luck in the future
